Brussels, 15 June 2023.

Subject: Motions to be approved at the 2023 Europa Forum

The president of the Young Ambassador Awards committee, Dieter Van Hoye, would like to submit two modifications to the competition rules.

Motion 1:

After 15 years of European competition, it is time to evolve with the reality. Therefore, the age limit for the European Young Ambassador Award should be changed from not older than 18 on June 30 of the year of the Forum in which the candidate participates to not older than 19 on June 30 of the year of the Forum in which the candidate participates.

Motion 2:

After 15 years of European competition, it is time to evolve with the reality. Reality has become more expensive. To support the laureates of this competition in realising their dreams we ask to raise the price money to 7500 euro. The price money is to be divided as follows:
First price: 3500 euro
Second price 2500 euro
Third price 1500 euro

These two motions were unanimously endorsed at the MD112 national convention held on June 10, 2023, in Brussels.

Would you please be so kind as to propose the motions to the vote of the 2023 Europa Forum Council?

Many thanks in advance.

Sincerely,

Ghislaine Estievenart
